

Dear Parents and Rising Third Graders,

As we look forward to summer, let's have fun in the **sun** with reading!

You will read **two** books this summer for your 3rd grade summer reading. **One** book will be, Horrible Harry Goes to the Moon by Suzy Kline and the other will be Mercy Watson Something Wonky This Way Comes by Chris Van Dusen

There will be **NO** written work on these books **until** you get to school in August.
Enjoy reading over the summer!

When school begins, your first 3rd grade book report will be completed from Mercy Watson Something Wonky This Way Comes. Another independent report or project will be done from Horrible Harry Goes to the Moon. Your third grade teacher will give you details about this the first week of school. **Once we have completed our work on a book, we will take an AR test on them in class.**

We are offering a few AR testing days during this summer in which students may come to the school library and take AR tests: June 15 and 17 and July 20 and 22 from 9-12 A.M.

Please note that the school will **NOT** sell the books. You are responsible for buying the books. You may download them onto a device or buy a hard copy. These will be used in class during the first week of school.

We hope you have a fun-filled summer with reading.

Sincerely,
Third grade teachers
