

SIXTH GRADE GRADUATION PRACTICE, CLASS PARTY AND VIDEO VIEWING

Monday, May 16

Students will arrive at school by 8:00 a.m. to their homeroom classes.

Students will **rehearse** for graduation. Following graduation practice, students will have a **class celebration** at school until 11:30. More information about the class celebration will be sent to you Friday, May 13. The theme is a fun surprise, so we do not want to send out the specifics prior to this date!

At 11:30, we invite parents to come for a **video viewing** with your student in Miller Hall.

Following the video, students will dismiss with parents.

The cost for the class party is \$15 and will be withdrawn from your FACTS account.

Every student will receive a copy of the **video** before leaving on Monday as a gift to each student from FPDS.
